BOOK SYNOPSIS

"Hi, Im the guy who reads your e-mail, and also, I love you . . ." From the award-winning author of Eleanor & Park, Fangirl, and Landline comes a hilarious and heartfelt novel about love in the workplace. Beth Fremont and Jennifer Scribner-Snyder know that somebody is monitoring their work e-mail. (Everybody in the newsroom knows. Its company policy.) But they cant quite bring themselves to take it seriously. They go on sending each other endless and endlessly hilarious e-mails, discussing every aspect of their personal lives. Meanwhile, Lincoln ONeill cant believe this is his job now- reading other peoples e-mail. When he applied to be "internet security officer," he pictured himself building firewalls and crushing hackers- not writing up a report every time a sports reporter forwards a dirty joke. When Lincoln comes across Beths and Jennifers messages, he knows he should turn them in. But he cant help being entertained-and captivated-by their stories. By the time Lincoln realizes hes falling for Beth, its way too late to introduce himself. What would he say . . . ?
