He can just do what he wants when he wants: like listen to whatever music he likes, look up the girls that are on his list, and generally behave as if Laura never mattered. But Rob finds he cant move on. Hes stuck in a really deep groove - and its called Laura. Soon, hes asking himself some big questions: about love, about life - and about why we choose to share ours with the people we do. A million-copy bestseller, and adapted into a 2000 film starring John Cusack, High Fidelity explores the world of break-ups, make-ups and what it is to be in love.
