BOOK SYNOPSIS

MEDIA, CRIME, AND CRIMINAL JUSTICE is the definitive text on media and criminal justice. The book features impeccable scholarship, a direct and approachable style, and an engaging format--supported by visual examples and sidebar material that complements the narrative. With the ever-increasing role of media in both reporting crime and shaping it into infotainment, the importance of the interplay between contemporary media and the criminal justice system is greater today than ever before. Author Ray Surette comprehensively surveys this interplay and showcases its impact, emphasizing that people use media-provided knowledge to construct a picture of the world and then act based on this constructed reality. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
