BOOK SYNOPSIS

J. Glenn Gray entered the army in May 1941, having been drafted on the same day he achieved his doctorate in philosophy from Columbia University. Over a decade after his discharge in 1945, Gray began to reread his war journals and letters in an attempt to find meaning in his wartime experiences. The result is a philosophical meditation on what warfare does to us and why soldiers act as they do.

SOLDIERS A HISTORY OF MEN IN BATTLE - Are you looking for Ebook Soldiers A History Of Men In Battle?
