BOOK SYNOPSIS

From Ken Follett—the #1 name in electrifying international suspense—comes a remarkable novel of intrigue and doomsday possibilities. The world's balance of power is about to shift dangerously as the ultimate weapon nears completion in a secret facility in the heart of the desert. Across the globe, operatives from the great nations set a deadly game in motion, covertly maneuvering pawns and kings to achieve a frightening advantage—while terrorists and their hunters prepare for the contest's final, bloody moves. And one man—a razor-sharp master of disguise, deceit, and triple-cross—must somehow do the impossible: steal 200 tons of uranium without any of the other players discovering the theft. The clock is ticking. And the price of failure is Apocalypse.
